

Hope Thalody, DO

Specialty:

Orthopedic Surgeon

Dr. Thalody's approach is centered around helping patients return to active, fulfilling lives. As an avid athlete herself, she takes pride in getting her patients back to the activities they enjoy.

In her free time, Dr. Thalody enjoys cycling, hiking, and spending time with her family, including their miniature goldendoodle. She also loves weekends at the Jersey Shore.

She provides comprehensive care for musculoskeletal issues, including:

- Degenerative Arthritis
- Inflammatory Arthritis
- Post-Traumatic Arthritis
- Avascular Necrosis
- Infection & Fracture

In addition to primary hip and knee replacements, Dr. Thalody is highly skilled in revision joint replacement surgeries. She uses advanced techniques like anterior minimally invasive hip replacement, robotic-assisted hip and knee replacement, and quad-sparing knee replacement. Dr. Thalody's expertise extends to outpatient total joint replacement, offering patients a faster recovery.
